

WHAT YOU NEED TO KNOW

Morehart Murphy Subaru Mountain Bike Race
Sunday, May 26th, 2019, 11 a.m.
Buckley Park, 12th St and Main Ave, Durango, Colorado

PRE-RACE PREPARATION

- If you registered before March 4th, 2019, your bib number will be mailed to you the third week of April. If you are a local rider (zip codes 81301, 81302, 81303, 81122, 81137, or 81326), international rider, or registered after March 4th, 2019, you will pick up your bib number Friday, May 24, 3 - 7 p.m. at Buckley Park, 12th St and Main Ave, in Durango.
- Prepare for race day by putting the bib number on your jersey (attached to the left side of your torso, slightly back so it can be read as you cross the line) and the bike number on your bike (centered on the handlebars, facing forward). Numbers must be visible on course at all times.
- In the case of severe inclement weather, we may alter or cancel the event. That info will be posted before 7 a.m. on our website, social media, and at the Buckley Park location. If the weather deteriorates during event, riders will be removed from the course for their safety and the future of the trails.
- The start and finish will be located at Buckley Park, 12th St and Main Ave, Durango (same place as packet pickup). Please see the map on the website for details.
- This is a lap-style course that has a combination of pavement, two track, and single track, as well as man-made features. It is a unique course that should provide plenty of spectator interaction, amazing scenery, and challenging terrain, all within walking distance of Downtown Durango.
- Course will be marked (with exception of paved areas) on May 24, 2019. Course alterations may take place due to weather or other unforeseen circumstances.

DURING THE RACE

- Parking is available throughout downtown, and in neighborhoods surrounding the event.

- Start times for individual categories are posted on the Mountain Bike webpage. Please review and be there a minimum of 30 minutes ahead of start.
- No headphones of any kind – they are a safety issue. If we identify riders using headphones, we will remove them from course.
- Riders can receive feed zone support (not provided by event) along 8th St between 2nd and 3rd Ave eastbound. However, being self-sufficient with food, water, and tools is the best solution.
- When on course, please be aware of the possibility of people entering the trails as the course is restricted but not closed. This holds true for the pavement sections also, so please keep your head up and look out for your own safety.
- There will be course marshals on the course in multiple locations as well as Emergency Medical Personnel in area. If you see an injured rider, or an issue with the course, please alert a marshal.
- If you have to drop out of race, please alert the Officials at the start and finish line. We do not want to have a search party out looking for you if there is not a need!

POST-RACE FESTIVITIES & LOGISTICS

- Results will be posted as quickly as possible by the start and finish line.
- Prizes (checks) will be sent in the mail during the two weeks after the event. If you have not received yours within three weeks, please email us. There will be no prize distribution at the event with the exception of Juniors and Road Race winners. Once again, checks will be mailed, no exceptions!
- Please be kind to all volunteers who help with results, they are donating their time. Without them, we have no race.

Thank you for joining the tradition! We encourage all participants to take part in what our area has to offer. Please keep in mind an event that has lasted this long has done so because of the outpouring of support from our participants, volunteers, sponsors, law enforcement, and community. We are happy to have you here. We hope you enjoy your experience!!!

The IHBC contributes a portion of all entry fees to supporting the Mercy Health Foundation, Durango Derailers and other programs in our region.
