-The Start/Finish line will be located at Buckley Park, 12<sup>th</sup> and Main, Durango (the same place as packet pickup). **Category start times are posted on our website** and subject to slight variations. Be at the start/finish area 30 mins before your scheduled race start time.

- Parking is available throughout downtown, and in neighborhoods surrounding the event. We suggest you park a few blocks away from downtown where it is mostly metered parking. It is always best to ride from your lodging to avoid parking issues or ticketing.

- It is a lap style course that has a combination of pavement, two track, and single track. There will also be man-made features in the course(see map on website). It is a unique course that should provide plenty of spectator interaction, amazing scenery, challenging terrain, all within walking distance of Downtown Durango. This includes the famous Steamworks pub section also where some categories will ride through the bar.

- The course will be marked (with exception of paved areas) on May 22nd, 2020. Course alterations may take place due to weather or other unforeseen circumstances. **There is a course map under each event tab for each event on our website.**

- Riders can receive feed zone support (not provided by event) along 8<sup>th</sup> street between 2<sup>nd</sup> and 3<sup>rd</sup> Ave going eastbound. Being self sufficient with your own food, water and tools is the best solution.

- **When on course please be aware of the possibility of people entering the trails as the course is restricted but not closed. This holds true for the pavement sections also,**

**keep your head up and look out for your safety. Occasionally cars do not observe our closures so be aware at all times in the urban portion.**

- There will be course marshal's on the course in multiple locations as well as Emergency Medical Personnel in the area. If you see an injured rider, or an issue with the course please alert a marshal.

- If you have to drop out of race please alert the Officials at the Start/Finish, we do not want to have a search party out looking for you if there is not a need.

**-Prizes (checks) for all riders over 19 will be sent in the mail two weeks after the event, if you have not received it in three weeks email us. There will be no prize distribution at the event with the exception of Juniors who get non cash prizes. Cross Country placings 1-3rd for each category will have an awards ceremony within 30 minutes of finishing. At that time a winners trophy only will be awarded. Juniors will also have a podium ceremony 1st-3rd.** Please be kind to all volunteers who help with results, they are donating their time. Without them we have no race.

- Thank you for being a part of our event. We encourage all participants to take in what our region has to offer. Please keep in mind an event that has lasted this long has done so because of the support from our participants, volunteers, sponsors, law enforcement and community. We are happy to have you here.
